- Profile

Alec Morrison has a passion for web and graphic design and development, which has only been heightened in his year at BCIT. He seeks to enter the media world aiming to do front end web development and design, search engine optimisation, information architecture and social media.

- Technical Skills

Adobe Photoshop CS5	Adobe Dreamweaver CS5	Adobe Illustrator CS5
Adobe Acrobat Pro	XHTML/CSS/CSS3	jQuery
WordPress	Microsoft Office	

- Education

British Columbia Institute of Technology *2010 – October 2011*
Senior Management Certificate in New Media Design & Web Development

University of Chester, UK *2006 – 2009*
Bachelor of Science with Honours in Psychology

- Professional Experience

Grether Contracting Corp., Sun Peaks, BC *April – September 2010*
Position: Carpenter's Assistant. My tasks involved accurately following specific directions both under supervision and working alone to meet deadlines.

McSporties, Sun Peaks, BC *January – April 2010*
Position: Sales Representative. I had to use time management and teamwork to work efficiently and quickly under pressure in a busy ski and snowboard rental store.

Royal Mail, Chester, UK *December 2009*
Position: Mail Sorting Attendant for the Christmas rush. My duties involved sorting local mail according to postcode, which required close attention to detail for long periods of time.

Eaton Terrace Gallery, London, UK *2008 – 2009*
Position: Webmaster. As well as redeveloping and maintaining the art gallery website (sometimes remotely), I also communicated with the artists and helped them run their exhibitions.

Argos Ltd, High Wycombe, UK *2004 – 2006*
Position: Part time Customer Advisor. Stockroom based operations with a heavy focus on teamwork, and working with each other to reach goals and maintain high standards.

- Volunteer work and other interests

A range of volunteer work in Sun Peaks, including the 2010 Trash Bash and helping with the Annual Nancy Greene Golf Benefit.
Interests include skiing, badminton, playing guitar and a passion for taking panoramic photography
